dating culture have a date 9 554 LoveShack is a community featuring dating advice and tips articles and discussion forums to help you improve and understand your relationships and other interpersonal issues Jun 17 2025 So this isn't a question about me rather just about people in general who have been dating 5 years or longer just long periods of time I mean and still have not gotten engaged etc

My question is why? Why do people date this long without getting married? I know there are probably many answers Jun 14 2018 I am a 36 years old single man. I never married before. I want to date women within the age range 25 to 31

But I found that many women within this age range do not want to date mid-aged man. I don't want to date women close or over my age. I am afraid if I am hit 40 years old it will be much harder Jul 19 2022 Thought this date went much better than the previous one this week but still got rejected

I don't know what else to do

I've been replaying the date in my mind and she was laughing a bunch of times and we talked about a bunch of fun topics as well as some more serious ones that she had on her profile Aug 22 2024 You know how sometimes you meet someone and it feels like you've known them forever? Well that's kinda what's happening with me

We've been hanging out for a few weeks now and it's been so chill and fun. I mean we've talked about everything under the sun

We've laughed we've cried okay maybe Dec 31 2001 An interpersonal relationship advice and assistance center providing a forum to confront personal conflicts promote participation in self-discovery and responsibility and to share dating and marriage tips love advice parenting and platonic relationship resources Everything else under the sun

Not sure where to post? This is the place! Mar 18 2024 I've met a great guy. We've been dating exclusively for a year. He's laid back, respectful, attentive, intelligent, financially savvy, owns his own home, has a stable job and career. However, he doesn't drive

When we go out on dates I have to meet him somewhere near a metro station and of course Dec 25 2025 My girlfriend won't really take pictures with me anymore nor will she send me pictures of herself. She's sometimes anxious and camera shy but she has no problem taking selfies when she's bored

I'm sure she doesn't send pictures to anybody else but then again she doesn't really want me going there. dating culture have a date 9 554 LoveShack is a community featuring dating advice and tips articles and discussion forums to help you improve and understand your relationships and other interpersonal issues Jun
