Jan 4 2007 Does anyone know what frequencies are used by the Death Valley National Park service? I did search the database but did not find anything Nov 19 2015 Other frequencies to listen to while in Death Valley National Park include Southern Inyo Fire Protection District Inyo County Sheriff on 154.725 pl 85.4 or without a pL tone to also hear Inyo County Sheriff Mar 17 2006 You might be able to pick it up from some locations within the expanded boundariesofthe now Death Valley National Park until 1994 it was a national monument and about 1 million acres smaller such as Saline Valley and Eureka Dunes but don t plan on hearing any activity that involves those locations Apr 16 2024 Apr 15 2024 1 via Amateur Radio Saves Family in Death Valley National Park When all Else Fails The ARRL is touting how a ham s emergency message on 10m saved his family when their vehicle became stuck somewhere in Death valley National Park

I m glad these folks ended up safe but the story lacks a lotofdetails that might provide more Jul 31 2019 Photographers train their cameras at an F 18 fighter jet from Lemoore Naval Air Station as it dives into Rainbow Canyon

Irfan Khan Los Angeles Times Its oneofthe main attractions said Death Valley National Park public information officer Patrick Taylor. The Air Force and Navy have used the area for military training practices since the early 1930s

Mostofthe aircraft that Dec 1 2022 I dont live in the area asking for a friend. Whats a good portable scanner so that he can monitor the ATC at Nellis flight to ground comms and air to air comms plus when planes go out for training over Death Valley

Not interested in the trunked base operations traffic. Im totally new Apr 24 2009 The first link in signal500 s post is as he noted an old list

Frequencies for many park units changed when radio systems were replaced to comply with the federal government s self imposed mandate to convert to narrow band by 1 1 2005. The list also shows a few units that have changed in classification e.g

Death Valley National Monument was changed to a National Park in 1994

In addition Aug 23 2014 The most obvious reason is Joshua Tree Mojave Death Valley the San Berdo NF and the California Desert District are within a day s driveofthe 16+ million not counting San Diego Country megalopolisofssouthern California Jan 28 2014 H 80 is correct

I was camped at Furnace Creek Death Valley National Park about 10 years ago when there was a very violent pursuit that started southofBeatty Nevada. It then moved into Death Valley after the suspects turned that direction in Beatty Jan 1 2012 600 U.S
