Robert Trivers writes thatdelusionis a discrepancy in relation to objective reality but with a firm conviction in reality ofdelusionalideas which is manifested in the affective basis ofdelusion delusion illusion hallucination mirage meansomething that is believed to be true or real but that is actually false or unreal

delusion implies an inability to distinguish between what is real and what only seems to be real often as the result of a disordered state of mind Oct 16 2025 Delusions are characterized by anunshakable belief in things that are not true and in many cases people continue to believe in them despite evidence to the contrary

It s also important to recognize that not all delusions are the same May 22 2022 Adelusionis an unshakable belief in something thats untrue

The belief isnt a part of the persons culture or subculture and almost everyone else knows this belief to be false Oct 23 2025 Delusions arefalse beliefs that people strongly hold even when there s proof they re wrong

There are different types of delusions like bizarre ones that are impossible and non bizarre ones that could actually happen

A delusion is a strongly held or fixed false belief that conflicts with reality Delusion in psychology arigid system of beliefs with which a person is preoccupied and to which the person firmly holds despite the logical absurdity of the beliefs and a lack of supporting evidence Jan 27 2025 Delusionaldisorder is characterized as having one or more false beliefs based on an incorrect interpretation of reality lasting at least one month

Other than thedelusions the person usually appears to function normally.Delusionscan occur as part of many different psychiatric disorders.
