Jun 30 2011 It may be different with from each family but there are similarities

How would you describe the difference between different with and different from in the given sentence? Apr 28 2012 Which one of the following is correct in the following context? Why Islamabad and How it is different? Why Islamabad and How is it different? P.S

Islamabad is the capital city of Pakistan. Thanks! Aug 31 2007 Hi I understand that the adjective different can be used before and after the noun in French

Can somebody explain to me what the difference in meaning is? Thanks Moderator note Multiple threads have been merged to create this one May 22 2008 There have been widely differing versions in the newspapers about the prison siege

Why not use different here? Both are right? If right same meaning? If same which is common and better in native English? Jan 26 2011 In several different scenes in the film we see the eponymous characters at different stages of their marriage

If I wish to use the word time to talk about how the film is set does the following sentence make sense? These scenes are set at different times of their marriage some good and others bad

Thank you as always everyone! Jun 26 2005 In a recent post the questioner used an example that included the phrase different than. Since that wasn't the point of the question I thought I'd start a new thread I strongly prefer different from

Do you agree? Jun 26 2017 I remember that in the 1960s I believed the word strokes in different strokes for different folks referred to sexual intercourse

There are several AE phrases that started out with a sexual meaning and gradually lost that and became harmless phrases anyone can use Oct 6 2007 The poison arrow frogs are very small and have bright and varied various different colors

Do the three words in bold work in the above context and mean about the same? Thanks Sep 8 2007 I'm looking for a word for the first case a collection of different articles each by a different author edited and published together in one volume

[wow David that jam of tarts part is way over my head the prose pun is good though] Mar 28 2010 I know for example that av and av mean different things and are pronounced differently but the spelling clearly marks this distinction in these words while in the words from your examples there's nothing obvious at first glance and I think there're no other words to confuse p*rt s and *vo s with due to a different pronunciation of o.
