How would you describe the difference between different with and different from in the given sentence? Apr 28 2012 Which one of the following is correct in the following context? Why Islamabad and How it is different? Why Islamabad and How is it different? P.S

Do the three words in bold work in the above context and mean about the same? Thanks Sep 8 2007 I'm looking for a word for the first case a collection of different articles each by a different author edited and published together in one volume

[wow David that jam of tarts part is way over my head the prose pun is good though] Mar 28 2010 I know for example that av and av me and different things and are pronounced differently but the spelling clearly marks this distinction in these words while in the words from your examples there's nothing obvious at first glance and I think there're no other words to confuse p*rt s and *vo s
