However when it is used before a noun or sometimes after a noun it is used as a determiner or adjective. For example I need more money. More context is required. I need something more to eat

In the above examples it means greater in Feb 6 2015 Sure enough this ngram shows that stupider got started long after more stupid

Apparently the need to compare levels of stupidity was so great that people granted stupid a sort of honorary Anglo Saxon status in order to use the more convenient comparative er

And once stupider is in by analogy vapid er eventually starts sounding more acceptable What s more is an expression that s used when you want to emphasize that the next action or fact is more or as important as the one mentioned. War
