Remember to set your invite link to never expire and add any necessary post flairs to increase your visibility! Having a detailed description also helps members to find your server! Thanks! I am a bot and this action was performed automatically

Please contact the moderators of this subreddit if you have any questions or concerns This is more a question from a lot of my friends who manage NSFW servers or have an NSFW channel on their servers

Now thatDiscordremoved the permanent invitations link from normal servers is it possible to upgrade those servers to communities? they don t plan to get partnered or public they want to stay private with a permanent link on Disboard or ingame guild description and get access Okay i didnt find one but in those server if you want to verify you will have to login intodiscordwhich will be on a fake logging site and you ll get hacked or you ll need to scan a qr code which will also get you hacked

And after thye hack you they will send the same server invite to all your dms and servers your in This reddit community to share your Roblox condo experience as well creating new ones Looking for adiscordserver to join? r findaserver is a fast growing community where members can share theirDiscordservers and find joinDiscordservers that users find engaging! Don t miss out on this opportunity! Join to become a Server Lister! This is a subreddit for people to find links toDiscordServers! If you like this Sub please join and like the Servers you join! Add the link to aDiscordServer if its not here already! MembersOnline [deleted] ADMIN MOD Discordis a voice video and text communication service used by over a hundred million people to hang out and talk with their friends and communities May 17 2021 RedGIFs fixed forDiscord

RedGIFs links now display in playable frames within the app User needs to click play The official NSFW Hub for all things Taylor Swift May 10 2023 Server was shut down and every mod 9 people had their accounts disabled for revengeporn which never happened

We were threatened by banned users and mass reported. What we can do to recover our accounts? They re all several years old and were disabled at the same time.
