favoriteDisneycharacter not justprincess

Shes an excellent fighter

Belle another favorite of mine for combination of intelligence book smarts and  
natural beauty Aurora my favoriteprincessto draw sketches of and I feel the most  
well designed of the classic princesses Cinderella by way of being Walts  
favorite and the leader of the group to most people As someone who doesnt know  
anything aboutDisneycharacters I wouldnt of second guessed it

I just would have assumed they were in their 20s by the fan art people always  
post

Are the main females characters inDisneyalways young? Like late teens or do you  
mean adolescent? Genuinely curious about the ages ofDisneycharacters Jan 24 2023  
I find nothing overly sexual about her main teal outfit. Bellies and collarbones  
arent sexual

Ariel shows the same amount of skin and theres nothing sexual about her outfit  
either. Ariel reads as a more childlike and naive character vs Jasmine who reads  
as more independent and mature

Clothes dont sexualize a person TheDisney Princesssthing only really came to be a  
thing because little girls were wearing homemadeprincesscostumes to come to film  
premieres and other events and I guessDisneyrealised they could make a ton of  
cash throughprincesscostumes dolls and other merchandise

IIRC to qualify as aDisney Princess the character has to be either People talk  
about how unrealisticDisneyPrincesses bodies are but nobody ever mentions how  
the Princes are always toned and muscular The official website for all  
thingsDisney theme parks resorts movies tv programs characters games videos
