Nov 15 2020 The instant regen of thedoppelgangeris game breaking. Even if I final hit with focused beam sabers in Champion mode it s still not enough to overcome that regen Sep 7 2018 Chain Crush doesn t stun theDoppelganger

Or rather the stun indication thing will appear above its head but it ll still act normally. I found that the skill animation for Chain Crush took a second or so longer to settle compared to Chain Impale during that fight so I opted for Chain Impale instead

Here is what I did to beat theDoppelganger I catered 10x Super Sticky Mochi gained from Nov 4 2019 Thedoppelganger I actually don t even recall in g21. I had to actually look up where it was probably because I shredded it that fast and that was with a mediocre firebolt on a wimp connection

Which for this fight looking at the wiki again recommends Pet Link and if thedoppelgangeruses shadow spirit resetting its AI with windmill Nov 4 2019 The Divine Link and using the pet to stop thedoppelganger s regeneration doesn t work the pet does not stop the health regeneration animation despite what people keep saying and I even tried dolls to take advantage of the attacking stopping health regeneration which also didn t work Jan 16 2020 Doppelganger Auto regen actually stalls when it gets hit by anything in order to have an easier time with this fight try to have and do the following Mana Shield or really high defense a pet your free thoroughbred works Rank 1 Divine link Preferable like shown in picture I hitdoppelganger2 times with life drain it both was after using music box

For what I remember it didn t in particular heal me at all too it only damageddoppelgangerfor roughly 56 70 Also tried to drop and pick the crystals back up. It didn t let me pass

Also tried to drop dark life drain crystals Apr 29 2017 Doppelgangeris not a ninja skill it is under a skill tab called Hidden. Yes its very Naruto ish and makes fans of the series scream KAGE BUNSHIN NO JUTSU! but it is not part of the ninja talent

You can still use it while equipped with a shuriken and feel like a ninja Dec 23 2016 As normal skills apparently couldn t reach it I usedDoppelgangerto be able to attack it

As a result I m now stuck outside the normal area due toDoppelgangerteleporting me beyond the invisible walls Oct 4 2018 DoppelgangerSkill Training Potion Luna Crystal Staff Appearance Scroll Andris Wing Staff Appearance Scroll Ladeca Short Sword Appearance Scroll Star Candy Mace Appearance Scroll Toy Hammer Appearance Scroll Smiley Knuckles Appearance Scroll Platinum Hammer of Durability Lucky Red Upgrade Stone Ring Torque Enchant Transparent Tidal Reforge Mar 12 2018 Browse
