Jan 23 2025 Anyone know much about howDPDworks? I ve always thought they re the best company but today had such an infuriating situation Apr 23 2013 When the parcel arrives back it the depot it could end up actually being returned to the sender with that status

Even if the parcel is delivered tomorrow the tracking records would still show it was supposedly refusedandwas to be returned to sender

The people atDPDwould eventually catch on to this driver s behaviour if it s so brazen Dec 14 2025 An undercover report investigating the pressures of working in an Evri delivery unit speaking to unhappy customers andcouriers who say they struggle to make a living May 11 2018 DPDdelivery couldn t be delivered as driver couldn t find address

Is this some sort of joke?! 1 2 Pepperoni Man Posts 7 814 Forum Member Jan 15 2025 dpdseems to be the most reliable inmyexperience but i don t get as many items deliveredbythem as other carriers. i finddpdis usually usedbythe better retailers so stuff like sneakers rather than cheaper items

so perhaps they aren t as overloaded as the cheaper carriers. one of the guys delivering to me has been working for them for Jan 12 2025 I sent an ebay parcel in neatly December which never arrived. It stalled out on tracking as parcel stolen andnever progressed

It s still that now Jul 23 2024 Maybe a strange question howevermyparcels journey on the website tracker said at five this morning it had reached the local depot Jan 7 2025 Hi there I ve just tried to collect a parcel from Vinted for the first time from a Lock It collection point Sep 30 2024 Categories Post deals you ve found onlineandin the shops ask questions about discountsandseek advice on the best offers Dec 24 2023 Hello I was wondering if anyone has had experiences with missing Amazon parcels what they did to tryandresolve the issue what the final outcome was etc.
