Feb 22 2017 Recently I was reading articles on the net and realised that there is a lot of ambiguity over the usage of Dr. and Dr Er. and Er etc. I usually prefer the dot while writing Doctor Dr

or Engin Prof.Dr. Prof.Dr Oct 26 2016 Dr. is an abbreviation for doctor and either can be used in most situations. However it is not idiomatic to say eg Frank is aDr

at Memorial Hospital or Joe is sick so I called theDr

Rather doctor is generally spelled out in such cases where the term is used not as a title but a position or trade I think when you use Dr or Dr s with or without the period as an abbreviation for Doctor it s fine if used in an informal setting

After all you are abbreviating the word Doctor in a generic sense rather than referring to the use of Dr. Smith honorific full professorProf.titleDr

Prof.Dr.Lecturer Senior LecturerProfessorassistant associate professor Dec 17 2024 Use a third party data recovery app like DroidKit orDr.Fone but be cautious and verify the app s authenticity before installation

As a last resort contact your mobile carrier to inquire if they can retrieve your deleted messages

Remember to act quickly as deleted messages may be overwritten by new data over time Nov 25 2017 I m searching for two words that adequately describe and differentiate between the following two categories groups of words given they exist in english Ms Mr Mrs Miss etc.Dr Prof Revd etc You can get directions for driving public transit walking ride sharing cycling flight or motorcycle on Google Maps

If there are multiple routes the best route to your destination is blue. All other routes are gray

Some directions in Google Maps are in development and may have limited availability Nov 1 2020 DR3000+10w DR~ 1.SWEETIE 3049 tl dr programmers like using semicolons to separate statements edit A citation has been requested I originally made this statement based on personal experience of first encountering it only amongst a technically proficient audience before seeing its usage spread.
