Mar 9 2025 Do you have the Markarth Prologue quest CURRENTLY active The Ravenwatch Inquiry ? Or its sequel The Gray Council ? If so either drop or complete these quests and then the Ravenspire quest Dream Walkinto Darkness should start properly

This is a known and badly designed piece of quest incompatibility with Verandis Ravenwatch having to be present for one but absent for the other Aug 28 2024 I ve completed Shornhelm Divided however I cannot pick up Dream WalkInto Darkness from the king or Count Verandis at Ravenwatch Castle Feb 20 2025 I read there are two ways to start Dream Walkinto Darkness quest but neither option starts the quest for me Mar 10 2021 The next one should be Dream WalkInto Darkness but I get no quest prompt

I ve spoken to King Emeric and no have nothing

I ve even travelled to Ravenwatch Castle and spoken to Count Verandis to try force the quest to start but no joy Sep 7 2020 Hello all I ve recently encountered a problem in Ravenspire where I completed the quest Shornhelm Divided and was supposed to receive the quest Dream WalkInto Darkness immediately after but didn t receive it so I went on playing as normal figuring I would get it later down the line Apr 28 2022 I cannot find this quest it seems bugged when i visit castle Ravenwatch the dialog Can you tell me anything that can help us deal with Montclair? Nov 13 2021 The main quest line for Ravenspire is bugged after you liberate Shornhelm

When you talk to Emeric he may not give the next quest in the line if you have the Prologue quest The Ravenwatch Inquiry. You have to abandon that quest before talking to Emeric to recive the next quest Dream WalkInto Darkness. This was reported several months ago here

It would be nice for a fix considering this Feb 24 2021 My friend is trying to do the DC quest line and has come to a problem Between talking to Emeric in Shornhelm at the end of Shornhelm Divided and the beginning of the follow up quest Dream Walkinto Darkness he isn t getting the prompt for the new quest or any sort of quest icon the main quest icon He has finished the first completely as far as we can figure out but when talking They said they fixed it but it s not? Not for the Ebonheart veteran zone anyway Dream WalkInto Darkness Bug Maintenance for the week of February 3 PC Mac No maintenance February 3 NA megaservers for maintenance February 5 12 00AM EST 5 00 UTC 12 00PM EDT 17 00 UTC EU megaservers for maintenance February 5 5 00 UTC 12 00AM EST 17 00 UTC 12 00PM EST.
