Emmy Rossum has talked extensively about her comfortableness with nudity in film and her uncomfortableness with violence in film

I think more than calling out a director or show runner for having her nude on screen shes talking about that disparity between onscreen nudity sex and onscreen violence Emmy Rossum is very talented especially considering she was only 16 ! when they filmed the movie

However this is part of the reason I cant watch the 2004 movie between that and Gerard Butlers singing r EmmyRossum Subreddit dedicated to EmmyRossum r EmmyRossum Current search is within r EmmyRossum Remove r EmmyRossum filter and expand search to all of Reddit She quit to get into other projects because she didnt need Shameless to be successful anymore but in my opinion her career went downhill when she quit

Her projects havent been very successful and definitely not as much as Shameless was

I think her career would have been better staying on Shameless Thing is I was just recently thinking whether Emmy Rossum had been snubbed a bigger career with how renowned her singing and performance was in Phantom of the Opera and her big role in Shameless Emmy is def one of my celebrity crushes Reply reply Limp Assignment 3160 Same Reply reply Intelligent Ad6985 Reply reply CrashTestDummy N1 Breakfast Reply reply More replies More replies More replies petitebohemian Reply reply DepartmentRound6413 Shes so gorgeous Reply reply Samson\_\_ You may be bi Reply reply Sep 10 2022 Why does Emmy Rossum not follow Emma shanola steve or William H Macy on instagram? Macy Emmy Rossum Jeremy White and the rest of the Gallaghers are fantastic but honestly Im surprised at how good Justin Chatwins performance is

Most people write him off as a shitty actor me included until I watched Shameless because of his other roles in War of the Worlds and Dragonball Jun 11 2020 Probably Emmy if you have a crush on Fiona you have issues my dude

Fiona is fucked up and its not all due to circumstances often shes the one fucking herself over Emmy Rossum has talked extensively about her comfortableness with nudity in film and her uncomfortableness with violence in film
