Apr 10 2019 Since most people are freaking out about the mods availability in the Prototype lobby I decided to just make this post to list the available mods for 1.21.5. I highly recommend checking them out and configure them to your liking they are very customisable

Also I am sure that u do not need Jan 31 2021 Now that the park has been moved to be 1.21+ I understand that hypixel may be moving to creating new updated islands exclusive to later versions hence I am asking Does anybody know any good Skyblock Mods for 1.21+? In 1.8 I used to use the common ones like NEU and Skytils etc

Are there Dec 16 2025 The Complete Hypixel SkyBlock Modding Guide MC 1.21+ Full Mod List with Descriptions Installation Troubleshooting Pre Configured Modpack The post is divided into sections Introduction Why use mods? Which Minecraft version should I use? Why use a third party launcher? Getting help May 10 2020 i know of the roughlyenoughitems mod that makes you lag because it shows a lot of items next to your inventory

you don t have this mod but maybe you have something similar? is your screen filled with a lot of items when you open your inventory? for example a list of items on the right and maybe a lot of animations? maybe try sending a screenshot of your full screen while your inventory Discovery Text The following text is displayed when you enter the Mirrorverse for the first time NEW AREA DISCOVERED! Mirrorverse Reach the last room to upgrade your Wyld armor! Rift Time decay is paused in the Mirrorverse! Purpose The Mirrorverse contains seven mirror related puzzles some of which grant various Accessories as rewards

The final room also contains multiple rewards The Personal Compactor 4000 is an UNCOMMON Accessory from the Redstone Collection

It automatically turns certain materials in your inventory into their enchanted form Jul 17 2025 the mod RoughlyEnoughItems doesn t load the items and sometimes just decides to not work I m on 1.21.5

any setting that I might need to change or something? Beth is an NPC that is located in one of the houses near the launch pad of the Mushroom Desert

When she visits you on the Garden she tasks you with investigating a secret lab owned by Jake which results in you obtaining Jake s Plushie The Bazaar is a System in SkyBlock that allows players to buy and sell resources and items from each other. It can be thought of as the SkyBlock Stock Market

To access it the player must have SkyBlock Level 7 or higher

If you are playing on an Ironman or Stranded profile you are limited to only
