<ethical porn> Pornhub s 2025 Year in Review Linux at 6.3% Desktop AgeGO an age assurance provider aggregator.

â â â â â Rating: 5 (8.283.451 reviews) - Free ´• Ethical ´• Access

Dec 10 2025 Looking at which operating systems ran Pornhub most we found on mobile Android led the way with 67.7% of all traffic coming from Android phones. That number has risen by +3.5% since last year

Apple followed suit with 33.1% of all traffic coming from Apple iOS phones down 4.9% since 2024. All others contributed to only 0.2% of traffic

Next we broke it down by desktop operating systems Sep 11 2025 AgeGO then does not develop age assurance software but has signed on as an aggregator of age verification services forpornsites and other businesses looking to comply with the DSA

It is effectively a middle man and in keeping with that model it appears to be skimming data from users in the course of shepherding it to an age verification provider that observes strict privacy rules Dec 4 2025 EthicalShopware Amazon Alternatives for Buying Books I intend to provide resources that allow people to change their behaviours rather than focus on a few days of abstention

Obviously Amazon suck. Do I need to really go into it? Genocide. Supports Fascists. Terrible for Workers

Terrible for the environment. Terrible for everyone. Also be Feb 11 2025 Some Google Calendar users are angrily calling the company out after noticing that certain events like Pride month are no longer highlighted by default

Black History Month Indigenous People Month Jewish Heritage Holocaust Remembrance Day and Hispanic Heritage have also been removed according to a Google product expert

One user called the move shameful and said that the platform is Dec 18 2025 TikTok owned by China s ByteDance and Grindr a widely used LGBTQ+ dating app shared sensitive user information illegally while AppsFlyer known for mobile marketing analytics facilitated unauthorized data transfers noyb claims

noyb told Reuters the user discovered via a data access request that TikTok had accessed sensitive details from other apps including the person s use of 5 days ago They all use some variation of ITE chip for their I O controller so I m 99% sure it will require those extra drivers if you wanted to mess around with fan curves in Linux Jul 16 2021 Here is an example scenario for purposes of helping to explain the question

An elderly couple wants to have a video of what they remember their honeymoon being like

To that end they want to paypornactors who look vaguely like the couple did in their 20s to record a reenactment of their Aug 2 2025 EthicalSoftware Services
