Nov 5 2020 I wanted Byakuya so badly. He would've been the perfect choice and looks so good with his Senbonzakura. I don't really mind Yoruichi as I believe she's the best pick for a Bleach female rep after Rukia. I'm actually more mad at Renji he's really not that popular especially these days

I don't think he deserved his slot. Jump Force's Bleach cast should've been like this Base roster Gifs from all your favorite Transgender Women This subreddit revolves around black women. This isn't a women of color subreddit
