Dec 6 2016 The easiest way to explain I guess would be to compare in the evening > time of day vs on the evenings > date

NB there is no s in in the evening because it s a time frame not a series of dates I wonder what the exact times of the following words are morning noon afternoon evening night mid night

What s the difference between at night and in the night? Jul 11 2021 To a large extent the start of evening is a matter of opinion or convention. The Oxford Dictionaries say that it usually starts at about 6 PM

I really do wish I could tell you why we use on but it would seem to be a rather arbitrary choice with no particular logic to it. More info here In at on + Time or Date Aug 17 2019 To greet a group mixed in gender we can say Good morning afternoon evening ladies and gentlemen

ladies always comes first May 21 2020 The meaning of evening in here is a evenings pentat home. The claim is that one evenings pentat home will be enhanced by playing the game. Evening in won't be in a dictionary because it s a nonce word created in the moment of writing for just that use

The writer used a hyphen to make it clear that he intended the collocation to be regarded as a noun meaning a evenings pentat Mar 20 2022 Usually we use the word breakfast in the morning to mean to eat something but what word do we use to mean afternoon breakfast and evening breakfast? Apr 19 2020 Everything you wrote is correct in some context even the alternate choices for afternoon evening and night

The context of latitude and season might make it more likely to use evening and
