Dec 22 2015 Ex wife ex boyfriend. Doesexhave a full form? Google dictionary has this information about the origin ofex But what is the origin of the usage as a prefix in the words likeex wife ex boyfri Conversationally I agree thatex wife seems much more common than former wife

In writing though the use of former doesn t seem so rare. Here s an interesting Ngram May 17 2016 I saw myex boyfriend at the mall yesterday

In plural Theex policemen were on a strike demanding justice.or All of myex husbands showed up at my latest wedding! In informal English especially US English it is acceptable to say Hey man! I saw yourexwith this hot dude yesterday!or She is still in touch with all of her exes Mar 13 2011 E.g

is short for exempli gratia and is in common use to introduce an example within a sentence. Submit a sample of academic writing e.g. a dissertation chapter. However some authors useex

ex school seems awkward. It looks as if he is a bus driver forex schools. ex by itself no hyphen doesn t seem right either. Is it? ex Fish just sounds ridiculous

Is this correct usage? Can each part be hyphenated orthe hyphen dropped altogether? Is there another way to make this more clear while still keeping the ex prefix? May 31 2016 EXis also interesting because 1 Someone sexis the person they used to be married toorused to have a romanticorsexual relationship with and 2 ex as a prefix is added to nouns to show that someoneorsomething is no longer the thing referred to by that noun

For example Sep 11 2019 In this context the prefixex means former

Wiktionary has this definition former but still living almost always used with a hyphen ex husband ex president ex wife So anex government official is someone who was previously a government official Oct 4 2015 In legal language I have come across the term expost facto

Isn t ex redundant in this phrase? post facto also means after the fact so it should be sufficient

This is commonly used in Jan 12 2012 I was thinking that this sort of anticipatory assimilation in which the voicing from the vowel following the ks makes the gz also applies when the following sound is a voiced consonant but it turns out there are too few examples of those to get a good feel for it ex directory exgenerated exgurgitation ex meridian ex vaccine ex votive Mar 10 2014 If you get divorced are yourex spouse s siblings children still your niecesorneephews?
