Dec 22 2015 Ex wife ex boyfriend. Does ex have a full form? Google dictionary has this information about the origin of ex But what is the origin of the usage as a prefix in the words like ex wife ex boyfri Conversationally I agree that ex wife seems much more common than former wife

In writing though the use of former doesn't seem so rare. Here's an interesting Ngram May 17 2016 I saw my ex boyfriend at the mall yesterday. In plural The ex policemen were on a strike demanding justice

or All of my ex husbands showed up at my latest wedding! In informal English especially US English it is acceptable to say Hey man! I saw your ex with this hot dude yesterday! or She is still in touch with all of her exes Mar 13 2011 E.g

is short for exempli gratia and is in common use to introduce an example within a sentence. Submit a sample of academic writing e.g. a dissertation chapter. However some authors use ex

ex school seems awkward. It looks as if he is a bus driver for ex schools. ex by itself no hyphen doesn't seem right either. Is it? ex Fish just sounds ridiculous

Is this correct usage? Can each part be hyphenated or the hyphen dropped altogether? Is there another way to make this more clear while still keeping the ex prefix? May 31 2016 EX is also interesting because 1 Someone sex is the person they used to be married to or used to have a romantic or sexual relationship with and 2 ex as a prefix is added to nouns to show that someone or something is no longer the thing referred to by that noun

For example Oct 4 2015 In legal language I have come across the term *ex post facto*. Isn't ex redundant in this phrase? *post facto* also means after the fact so it should be sufficient. This is commonly used in Sep 11 2019 In this context the prefix ex means former

Wiktionary has this definition former but still living almost always used with a hyphen ex husband ex president ex wife So an ex government official is someone who was previously a government official Jan 12 2012 I was thinking that this sort of anticipatory assimilation in which the voicing from the vowel following the ks makes the gz also applies when the following sound is a voiced consonant but it turns out there are too few examples of those to get a good feel for it ex directory ex generated ex gurgitation ex meridian ex vaccine ex votive Mar 10 2014 If you get divorced are you ex spouse's siblings children still your nieces or nephews?.
