Dec 22 2015 Ex wife ex boyfriend. Does ex have a full form? Google dictionary has
this information about the origin of ex But what is the origin of the usage as a
prefix in the words like ex wife ex boyfri Conversationally I agree that ex wife
seems much more common than former wife

In writing though the use of former doesn't seem so rare. Here's an interesting
Ngram May 17 2016 I saw my ex boyfriend at the mall yesterday. In plural The ex
policemen were on a strike demanding justice

or All of my ex husbands showed up at my latest wedding! In informal English
especially US English it is acceptable to say Hey man! I saw your ex with this hot
dude yesterday! or She is still in touch with all of her exes Mar 13 2011 E.g

is short for exempli gratia and is in common use to introduce an example within
a sentence. Submit a sample of academic writing e.g. a dissertation chapter.
However some authors use ex

ex school seems awkward. It looks as if he is a bus driver for ex schools. ex by
itself no hyphen doesn't seem right either. Is it? ex Fish just sounds
ridiculous

Is this correct usage? Can each part be hyphenated or the hyphen dropped
altogether? Is there another way to make this more clear while still keeping the
ex prefix? May 31 2016 EX is also interesting because 1 Someone sex is the person
they used to be married to or used to have a romantic or sexual relationship
with and 2 ex as a prefix is added to nouns to show that someone or something is
no longer the thing referred to by that noun

For example Oct 4 2015 In legal language I have come across the term *ex post
facto*. Isn't ex redundant in this phrase? *post facto* also means after the fact
so it should be sufficient. This is commonly used in Sep 11 2019 In this context
the prefix ex means former

Wiktionary has this definition former but still living almost always used with a
hyphen ex husband ex president ex wife So an ex government official is someone
who was previously a government official Jan 12 2012 I was thinking that this
sort of anticipatory assimilation in which the voicing from the vowel following
the ks makes the gz also applies when the following sound is a voiced consonant
but it turns out there are too few examples of those to get a good feel for it
ex directory ex generated ex gurgitation ex meridian ex vaccine ex votive Mar 10
2014 If you get divorced are you ex spouse's siblings children still your nieces
or nephews?.
