pCare is an Interactive Patient Care System (IPS) that educates, entertains and empowers patients while enhancing efficiency for staff. The pCare open platform integrates with EHR/EMR systems, patient portals, and digital health applications to connect patients, families, and caregivers. pCares interactive patient experience solution helps healthcare providers engage, educate, and entertain patients across the care continuum.

The pCare open platform integrates with existing EHR/EMR systems, patient portals, and mobile health applications to connect patients, families, and caregivers. Patient Engagement Solutions to Improve Healthcare for Everyone. pCares interactive patient experience solution helps healthcare providers engage, educate, and entertain patients across the care continuum. Login to BPJS Kesehatan to access health insurance services for Indonesian citizens. We go beyond the TV or tablet in the patients room. pCare is an entire system of software, technology, and people supporting you, your staff, and your patients across the care continuum. Cutting edge communication and entertainment technology designed for healthcare environments. Healthcare Hub powered by pCare enhances patient and visitor experiences, augments staff capabilities, and promotes on-site amenities.
