Jul 22 2019 Aformatted string literal orf string isastring literal that is prefixed withforF. These strings may contain replacement fields which are expressions delimited by curly braces {}

While other string literals always haveaconstant value formatted strings are really expressions evaluated at run time

Some examples of formatted string L Specifies thatafollowinga A e E f F g or G conversion specifier appliesto along double argument.Thesame rules specified for fprintf apply for printf sprintf and similar functions f strings are cute and remind me of Ruby syntax

But they don t seemtohavealot of advantages and as you ve said they unnecessarily break compatibility with Python < 3.6 Aug 16 2018 How can I usef string with logictoformat an int asafloat? I would like if ppl is Truetoformat numto 2decimal places and if ppl is Falsetorformat it as whatever it is

Something like st Reddit isanetwork of communities where people can dive into their interests hobbies and passions. There sacommunity for whatever you re interested in on Reddit I haveastring in which I would like curly brackets but also take advantage ofthe f strings feature

Is there some syntax that works for this? Here are two ways it does not work. I would liketo Dec 3 2012 Afew of these don t do anything interesting or even anything visible. I have indicated those which don t do anything visually

F3 + S Force Reload Visually does little lags flickers F3 + T Refresh Textures Visually does little lags flickers Shift + F3 +F Increase Render Distance F3 +F Decrease Render Distance F3 +A Load Renderers essentially reloads all visual Is there an easy way with Pythonf stringstofixthenumber of digits afterthedecimal point? Specificallyf strings not other string formatting options like .format or % For example let s s JPython only runs on Python2.7 so nof strings

IronPython will only run on2.7 or 3.4 so again nof strings. PyJS and TinyPy don t support any version of Python 3 so won t supportf strings

Running pip install future fstrings might letf strings work ontheenvironments which don t supportf strings but I m not sure Discussion about Path of Exile afree ARPG made by Grinding Gear Games.
