Official video for Mazzy Star's *Fade Into You* from the album *So Tonight That I Might See*. REMASTERED IN HD! *Fade into You* is a song by American alternative rock band Mazzy Star from their second studio album *So Tonight That I Might See* 1993

The song was written by lyricist Hope Sandoval and composer David Roback who also served as producer. *Fade Into You* by Mazzy Star evokes the feeling of deep longing with its slow and repetitive melody wrapped in sorrowful strings that pull the song's tone back and forth between hope and despair. The song, with lyrics by vocalist Hope Sandoval and music by guitarist David Roback, peaked on the Billboard Modern Rock charts at number three.

"*Fade Into You* was also a Top 50 single in both the United States and the U.K. Mazzy Star's *Fade Into You* I wanna hold the hand inside you I wanna take the breath that's true I look to you and I see nothing. The core emphasis on Mazzy Star's second album *So Tonight That I Might See* remained a nexus point between country folk psych and classic rock, all shrouded in mystery and Hope Sandoval's Dec 20 2023. The song's chorus Strange you never knew *Fade Into You* delivers an ironic commentary on the nature of relationships.

It speaks to the idea that even as we become closer to someone, there remains a profound unknown space between souls that is recognized but can't fully be bridged.
