Conversation Questions Family A Part of Conversation Questions for the ESL Classroom

Are friends more important than family? What do you think? Are chores assigned to children in your family? Are you married? Are you pressured by your family to act in a certain way? Are you the oldest among your brothers and sisters? Are your parents strict? Did you ever meet any of your great grandparents Play Store app FamilyLink app Google One app If you're the family manager of your family group you can purchase a Google One membership

You can share this membership with your whole family up to 6 members at no extra cost. On your Android phone or tablet open the Google One app

To finish setup follow the on screen instructions Get started with FamilyLink You can use the FamilyLink App to create a Google Account for your child under 13 or the applicable age in your country

You can also use FamilyLink to add supervision to your child's existing Google Account Manage parental controls Tip Parents can install the FamilyLink app on their devices to remotely manage their child's supervised devices

Download the app from the Google Play Store for Android or Chromebook or the App Store for iPhones or iPads What happens when you remove someone from your family group Keeps their Google Account and any content on their device purchased with the family payment method

Can't make new purchases with the family payment method or access any services your family group shares

Loses access to your shared storage if your family shares a Google One membership Dans un groupe familial les parents peuvent utiliser FamilyLink pour gérer les paramètres du compte Google de leur enfant

Vérifier les paramètres du compte Google de votre enfant En tant qu'administrateur de la famille dans FamilyLink vous pouvez contrôler différents aspects de l'expérience en ligne de votre enfant Official Google For Families Help Center where you can find tips and tutorials on using Google For Families and other answers to frequently asked questions Set up a family group activating family sharing On your iPhone or iPad open the Google One app

At the top left tap Menu Settings Family settings. Tap Start sharing membership Invite family Confirm. To finish setup follow the on screen instructions Parents in your family group can use FamilyLink to manage account settings in your child's Google Account

Check your child's Google Account settings As a parent manager on FamilyLink you
