Aug 15 2019 I used CIC s Physical Presence Calculator to calculate our eligibility to apply for Citizenship especially that we went home to the Philippines last October 2018 for myfather swake How did this happened? As per my last post myfatherdied in October 2018 and that we went home to the Philippines

I used my credit card to purchase our tickets with a limit of \$4 000.00. Our tickets cost is almost \$4 000.00 plus other expenses that we need to pay off when we came back in Canada Jan 6 2016 Yay we passed the medicals. Thank you dearFatherGod

We just passed one difficult ordeal in our CIC requirements for our PR application

I know I always get emotional when posting some updates on our blog because this is our make or break move to becoming parents to our little R but I just want to share May 3 2017 We have to do the hard work to make our dream come through and gain mercy from ourFatherGod

After all He sees every hard work that we do and you will never know He already granted your prayer or dream just like what He did to us

Keep on dreaming and praying and God will do the rest May 3 2016 With a grateful heart we thank you Canada especially the province of New Brunswick for making our dream come through to our parents for all the support and love you have given us since day 1 for all the people who helped us along the way and most especially to our dearFatherGod for all the blessings guidance and for our precious little Sep 10 2015 OurFatherGod will continue to guide us in our journey because He knows that more than anything else this is for our goal and dream of being parents too

We will get by slowly but surely Sep 25 2015 OurFatherGod will continue to guide us in our journey because He knows that more than anything else this is for our goal and dream of being parents too

He knows the desire of our hearts and we believe that He will give us His grace In His time May 1 2015 We do not want to miss this precious opportunity ourFatherGod has given us thus without second thought we grabbed it even if we have to start from zero again Dec 9 2015 Indeed God is so good
