Aug 13 2011 First of all I am a single custodial father of two and my children are an 11yr old boy and 8yr old daughter

My ex spouse biological mother of my two children has led a very disturbed lifestyle with drugs alcohol abuse neglect etc Sep 30 2015 I also have watched 18+ fake incest porn and enjoyed that as well although to clarify I have absolutely no incestuous feelings of my own

And lastly the worst thing is that I saw father daughter porn cartoons one time that involved a pre teen girl

I can't remember if I enjoyed that I never tried to look it up again so I'm thinking not Sep 26 2016 Bits and pieces began to unfold and I soon realized that my dad was living a double life

Not only had he subscribed to multiple porn websites but he had also subscribed to sex seeking websites posting nude pictures of himself on our family couch and describing the type of woman he was looking to interact with Mar 20 2014 I think you should tell your mother and I think you may be surprised with her reaction

I know I worried for a long time about telling my mom the things I felt guilty about. But once I did tell her I felt so much better and nothing changed between us. If your mom loves you unconditionally as she should it will be okay

That's not to say that her love needs to be unconditional in order Sep 10 2011 Last October during one of the ever increasing arguments between me and my 18 year old daughter. she screams at me You were supposed to protect me to keep me safe

She proceeded to disclose to me that my father her grandfather had sexually abused her for several years from approximately age 4 to about age 8 Oct 18 2015 About a year ago I was a 25 year old stepfather of my 15 year old daughter

Earlier that year she has been sexually abusing me and it's made me severely depressed even now May 13 2016 A few weeks ago my daughter 7 years old came out and confided in my wife that her biological mother had been sexually abusing her

We learned that biological mother had been doing unthinkable things to her starting when she was five years old Dec 26 2015 I felt I was missing something when I see Facebook posts about Mothers Day about mother daughter relationships about mothers up in heaven

Now I don't even feel that because I made friends with a kind woman with a daughter my age who pretty much treats me like an extra daughter Nov 23 2022 Penciled in for more therapy Sat Dec 31 2022 1:03 pm My dad out of the equation with my family Tue Dec 27 2022 11:22 pm Considering going back to therapy Fri
