Save your favorite places on Maps to easily find them on any computer phone or tablet. Tips To find an unnamed address easily learn Nov 3 2023 On your Android device open Files by Google app. At the bottom tap Browse. Select a category or a storage device

Find the files you want to mark as Favorite. At the bottom you'll find a confirmation message Added to Favorites. Files that are marked as Favorites are represented with a Star

To find files marked as favorites tap Browse Collections Favorites Create bookmarks so Chrome can remember your favorite and frequently visited websites

When you sign in to Chrome with your Google Account you can use bookmarks and other info on all your devices I'm trying to find pages I've recently bookmarked. I have found pages from years ago but no recent ones

Where did they go? I want to be able to access favorite or starred photos to easily post on Instagram. I don't want to scroll through hundreds of pictures to find the ones I want to post especially when I want to post multiple at a time

I understand that when I star a photo it isn't actually saving it locally. How to make Favorites contacts always ring when on vibrate

How do I set up my phone to have certain numbers that always ring loudly regardless of volume settings vibrate or DND mode? On your Android device open Files by Google app. Select a category or a storage device. Find the files you want to mark as Starred. To mark one file In Grid view a

Press and hold the file. b. At the top right tap More Add to Starred. In List view a

Next to the file tap More Add to Starred. To mark multiple files In Grid view a. Press and hold a file. b

To select more files at You can create shortcuts to your favorite websites from Chrome. Create shortcuts to websites On your computer open Chrome

Go to the website you want to create a shortcut for. Quickly access your favorite contacts with Pixel VIPs. Stay connected with your closest family and friends with Pixel VIPs

When you add people to Pixel VIPs and set up a home screen widget you can have quick access to your recent interactions their real time location if they share it local updates activity ideas and more. How would one bulk upload add photos to the Favorite folder? In this case I have an entire album of ~200 photos the old Picasa Starred album folder that I'd like to add.
