When you sign in to Chrome with your Google Account you can use bookmarks and other info on all your devices I m trying to find pages I ve recently bookmarked. I have found pages from years ago but no recent ones

Where did they go? Quickly access your favorite contacts with Pixel VIPs Stay connected with your closest family and friends with Pixel VIPs

When you add people to Pixel VIPs and set up a home screen widget you can have quick access to your recent interactions their real time location if they share it local updates activity ideas and more I want to be able to access favorite or starred photos to easily post on Instagram

I don t want to scroll through hundreds of pictures to find the ones I want to post especially when I want to post multiple at a time. I understand that when I star a photo it isn t actually saving it locally You can create shortcuts to your favorite websites from Chrome

Create shortcuts to websites On your computer open Chrome

Go to the website you want to create a shortcut for How would one bulk upload add photos to the Favorite folder? In this case I have an entire album of ~200 photos the old Picasa Starred album folder that I d like to add Change your favorite apps At the bottom of your screen is a row of your favorite apps

Your phone suggests apps for your favorites based on your recent and most used apps as well as your routines. Your suggested apps have a colored shadow around the icon. When theres an empty space in the row a new suggested app will appear.
