McModGen is the only Web GUI for creating Minecraft mods. You can create your own mod without any knowledge of Java and without writing any code

Yes it's true! You can make mods without coding! McModGen is built using the Minecraft Forge or ModLoader API and expects you to use Minecraft Coder Pack to recompile

Though McModGen cannot compile for you we will guide you through the entire Feb 8 2024 BukkitGPT is an open source free AI powered Minecraft Bukkit plugin generator

It was developed for minecraft server owners who are not technically savvy but need to implement all kinds of customized small plugins MCreator is open source software used to make Minecraft Java Edition mods Minecraft Bedrock Edition Add Ons and data packs using an intuitive easy to learn interface or with an integrated code editor

It is used worldwide by Minecraft players aspiring mod developers for education online classes and STEM workshops This mod reads json files from the config custom villager trades directory

The directory will be created with an example file when you load the mod for the first time and if no config files are present Feb 16 2015 This is a rewrite of one of the first mods I ever played with on minecraft pretty simple in this first release but hopefully will be adding a lot more soon

It's all up to the community! This mod allows you to make trees out of virtually any block in minecraft by using a special custom sapling Nov 12 2017

Minecolonies is an interactive Town building mod that allows you to create your own thriving Town within Minecraft

It depicts real life scenarios by providing you with different craftable options to build your own Town and enhance your gaming experience

Featuring many NPC workers such as Builders Crafters Farmers Fishermen Guards Barracks Miners Smeltery Baker Cook Restaurant Nov 16 2024 Help! My friends keep getting kicked for flying on my server! Multiple mods within this pack use MC's flight mechanic to enable their own functionality

Ensure you've set allowFlight=true in your server.properties file

Help! My game is laggy! Ensure you've gone over the Memory JVM Configuration section Mar 10 2025 Gardon's Custom Portals Mod by Gardon Hello! Today I will show you a modification that adds the ability to create your own portal This mod is meant to allow you to create your own mods in game with absolutely no knowledge of coding required
