A lot of femboy fashion and the femboy aesthetic is inspired a lot by anime and the trap trope that comes from a lot of comedy anime so here's some femboys in anime! Astolfo is a lord and savoir from the Fate series all praise Astolfo links to wiki Felix Argyle Felix is a cute femboy cat boy from the anime Re:Zero links to wiki Femboy as the name suggests is a Feminine boy So that means it's a boy who expresses his feminine side by clothing makeup etc

It has nothing to do with sexuality although femboys according to my own observations are more likely to be gay bisexual. They tend to behave more feminine and more emotional than other boys. Reply reply Feb 8 2020 If it has a femboy in it it counts

If it's only futa bara or a clearly trans character it doesn't belong. This also means no IRL content. This is a hentai sub

5 Dec 20 2023 There are two modes Story you have to pay for the story I'm poor so I never played this mode Sandbox free for all that's a text-based adventure game where you the player go on a quest to slay the Demon King You can play as either a femboy or futa Mar 21 2020 First I think being a trap logically implies being a femboy but not so vice versa meaning a trap must be a femboy but a femboy is not necessarily a trap

I think the core difference between trap and other femboys is that the satisfaction of trap comes from validation from outside of yourself while the other femboy can acquire satisfaction via self-validation of their feminine side like I was just wondering if there are any videogames where you can play as a feminine-looking male either as a customizable avatar or a pre-determined protagonist r/femboy r/femboys A SFW subreddit for feminine boys androgynous people enbies trans people and anyone who identifies as a femboy! FemboyGuide 2.0 will eventually release with even more things I forgot or missed didn't cover or not in enough detail such as hrt training and workouts dysphoria and dysmorphia

Now enjoy! The Ultimate guide Femboy 101 course brought to you by a femboy!!! In honor of the legend Frank Wolf RIP Nov 7 2023 I've been a femboy for roughly 8 years now and I know there must be others who have been a femboy longer please reach out with your curiosity and ask away? It can even be racial questions like What clothes look good on black brown skin Of course the answers that come from ME are my OWN opinion and may not reflect everyone else! When I see a femboy and am attracted to them I just think that is a straight attraction

Everything visually I like about women I like in femboys but femboys just seem cuter. I am also looking for a long-term romantic partner and I would be upfront with any femboy about my intentions and if it could work out well before getting serious.
