Alot offemboyfashion and thefemboyaeschetic is inspired alot by anime and the trap trope that comes from a lot of comedy anime so heres some femboys in anime! Astolfo are lord and savoir from the fate series all praise astolfo links to wiki Felix Argyle Felix is a cutefemboycat boy from the anime Re Zero links to wiki Femboyas the name suggests is a Feminine boy So that means it s a boy who expresses his feminine side by clothing makeup etc

It has nothing to do with sexuality although femboys according to my own observations are more likely to be gay bisexual. They tend to behave more feminine and more emotional than other boys. Reply Feb 8 2020 If it has afemboyn it it counts

If it s only futa bara or a clearly trans character it doesn t belong. This also means no IRL content. This is a hentai sub

5 Dec 2023 There are two modes Story you have to pay for the story I m poor so I never played this mode Sandbox free for all that s a text based adventure game where you the player go on a quest to slay the Demon King You can play as either afemboy or futa Mar 21 2020 First I think being a trap logically implies being afemboy but not so vice versa meaning a trap must be afemboy but afemboy is not necessarily a trap

I think the core difference between trap and other femboys is that the satisfaction of trap comes from validation from outside of yourself while the otherfemboycan acquire satisfaction via self validation of their feminine side like I was just wondering if there are any videogames where you can play as a feminine looking male either as a customizable avatar or a pre determined protagonist r femboy r femboyls A SFW subreddit for feminine boys androgynous people enbies trans people and anyone who identifies as afemboy! FemboyGuide 2.0 will eventually release with even more things I forgot or missed didn t cover or not in enough detail such as hrt training and workouts dysphoria and dysmorphia

Now enjoy! The Ultimate guideFemboy101 course brought to you by afemboy!!! In honor of the legend Frank Wolf RIP Nov 7 2023 I ve been afemboyfor roughly 8 years now and I know there must be others who have been afemboylonger please reach out with your curiosity and ask away? It can even be racial questions like What clothes look good on black brown skin Of course the answers that come from ME are my OWN opinion and may not reflect everyone else! When I see afemboyand am attracted to them I just think that is a straight attraction

Everything visually I like about women I like in femboys but femboys just seem cuter. I am also looking for a long term romantic partner and I would be upfront with anyfemboyabout my intentions and if it could work out well before getting serious.
