President DonaldTrump fired off a 3 a.m. social mediapost threatening to attack Iran after protests against the countrys supreme leader turned deadly

If Iran shots and violently kills peaceful protesters which is their custom the International travel has not curbed DonaldTrumps habit of late night posts on Truth Social. During his state visit to the U.K

the presidents nocturnal social media spree included a rant involving an investigation into slain right DonaldTrumphas accused TheNewYork Times of being a national security threat in an unhinged Truth Socialpost

The FailingNewYork Times and their lies and purposeful misrepresentations is a serious threat to the National Security of our President DonaldTrumplunched a furious late nightattack on TheNewYork Times accusing the publication of being a national security threat in a bizarre Truth Socialpost

The FailingNewYork Times and their lies and purposeful DonaldTrumps pleas to the Supreme Court to uphold his sweeping tariffs on imports from around the world are getting increasingly desperate

For weeks the president has issued panicked late nightcalls urging the court to rule in favor of the DonaldTrumphas gone on a relentless Truth Social posting spree that is unhinged even by his standards

The 79 year old spent Monday evening posting almost non stop on his social media account including regularly doubling up through what seemed President DonaldTrumpdeclared online that he intends to invade one of the United States most strategically important allies on the African continent

I am hereby instructing our Department of War to prepare for possible action Trump Seth Meyers trolled PresidentTrumpover his confusing Truth Socialpost Saturday

The president wrote that NBCs Seth Meyers is suffering from an incurable case of Trumpderangement syndrome and that NBC should fire him IMMEDIATELY President DonaldTrumplunched into an all caps tirade against his favorite media targets over their reporting of an official assessment that a U.S

bombing raid failed to destroy Irans nuclear program. After spending the day in NATO meetings President DonaldTrumpraged late into the night sharing a misleading poll graphic that dubiously claimed more than half of voters approve of his performance in his second term

The president posted an image previously circulated by the White.
