Dec 21 2025 Finessebass fishing was created at lake Castiac as a technique to catch a limit of tournament bass 1 big bass doesnt win tournaments. I was using 10 to 12 lb line with hair jigs and pork trailers along with maybe a few trophy bass anglers

The majority camped out on known spots using live bait mostly crawdads Aug 11 2018 So I want to get into finesse fishing but can t afford a medium and a medium light spinning rod to best cover all finesse techniques. so what Power rod should I get for all around finesse fishing

would I be able to effectively throw a smaller dropshot on a medium power spinning rod? or will it b Aug 20 1999 Finesse fishing is not a new fishing method I prefer to call it light line fishing. Smaller baits smaller weights lighter line and medium action fast tip rods move the bait slower

This delicate and subtle style of fishing can and will entice inactive fish to inhale your bait. Trying to catch lunker bass smallmouth or largemouth is of course the main objective of bass fishing but Dec 21 2025 Finesse is good in this scenario

It works great for clear water and sometimes spooky fish. My main baits are 4 plastic worms. I use Slider heads and t rig and adjust my weight depending on the depth I m fishing. Smaller spinnerbaits can be good also as well as inline Mepps style spinners

Standard casting or flipping jigs have always been associated with power fishing tactics. Still a smaller and lighter version of the lure has become an effective alternative when bass get picky

Former Bass Fishing League BFL All American champion Brian Maloney has become an advocate of the finesse jig and Sep 26 2024 With more anglers on the water today and better waterways management across the US finesse fishing is becoming a significant player in our daily fishing Sep 30 2023 Picking your next spinning rod can be easy if you determine a budget and what you ll use it for
