I think the vast majority offirstsexual experiences are like this. Actual enjoyment comes from being open communicative and very attracted imo. Also having your partner be very obviously attracted to you

And experience helps too! Wellfirstlesbian sexual experience would be 14 and it was awkward and painful bc I wasnt ready but didnt know how to communicate it to my then girlfriend Jan 31 2024 Really it s young OR oldlesbians as long as it s two or morelesbianstogether doing lesbian things
