Mar 4 2015 This is thefirst timel ve done it

One of the many uses of the perfect tenses is to talk about life experiences which is why it is used here talking about thefirst timedoing it the importance is placed on whether or not we have that experience not what is happening Jan 4 2017 0 Is this yourfirst timeto Sydney? sounds flatly wrong to me a 64 year old native speaker of American English

I suppose it could be acceptable in some other variants of English since it is a matter of usage rather than grammar but I just don t know

Your other examples sound fine Oct 12 2022 With what tense should we use for thefirst time and thefirst time ? I am confused because some native speakers told me that I had to always use Present Perfect Jan 1 2016 I am not sure what difference there is between This is thefirst timel ve lost my passport

This is afirst timel ve lost my passport

Would appreciate your explanation May 31 2021 In other words you have searched your past history of having received compliments and have concluded that the compliment on your handwriting is thefirst timeyou can refer to the compliment as already have happened

This is thefirst timesomeone is saying this to me Nov 1 2017 This is thefirst timel ate sushi

Since this is thefirst time is in the present perfect tense does the verb ate have to be in the present perfect tense also? In this case you d use the present tense first timel ve been but it s much more common to narrate this way when relating past events than when talking about future plans To be totally correct you should actually say It was thefirst timel had done ____ which is the past perfect tense

However you may also hear the simple past used which is thefirstof your sentences From a sentence written by a student It was myfirst timeto visit China. It sounds wrong to me but using visiting only sounds slightly better

Which one is correct? Dec 24 2019 It was thefirst timemy son had ever given me a gift. The moment in which my son did these actions was at the same moment in the past in which the rest of the story took place.
