Jan 20 2010 She s perhaps the best squirter not named Cytherea. And she used be fuckin hot too. Now I m more inclined to watch a Jada Fire video. In a head to head contest Flowersquirted further and was able to squirt more frequently

No one beats Cytherea in volume though Mar 17 2014 I think like most fans the Finger Poke of Doom in early January of 1999 caused most of us on the fence to switch to the WWF. So for the most part this era was fuzzy to me

At work I started watching a few youtube videos during lunch of old Nitros from March to April and it seems like WCW was Feb 4 2009 Click to expand So what makes her any different from Mia Bangg Flower Tucci Gianna Michaels or any of the other white girls with a big ass ?Flower s scenes are all squirt anal squirt facial

Gianna s are all pretty scripted Talk oral fuck anal dirty talk facial Nov 24 2013 Bad luck to Jon Jonnz and Wrex here but they have met their makers. Wrex has metal armor which Magneto would turn into scrap metal immediately

Then theres Martian Manhunter who will put up a fight but most likely will not succeed

Magneto and Manhunter would presumably fight it out in the sky As Manhunter would see him as the greater threat allowing Mario to find a fireflower a very May 30 2009 Has anyone noticed that they are recycling certain gimmicks to other wrestlers in the last 10 years? It just seems like they are out of fresh ideas

Example Charlie Haas a few months ago when he was coming out to other wrestlers gimmicks. Does anyone remember when Stevie Richards did this Mar 12 2009 Spearheaded by the feud between Hulk Hogan and Roddy Piper this show was all about fanfare

While little happened as far as historical significance this show goes down in history as being great simply because of what it meant in history. Never before had mainstream celebrities been mixed with wrestling on such a vast scale

Obviously the results were great and Wrestlemania was born Feb 25 2012 Since the start of professional wrestling we have seen many many many many and many more gimmicks come and go through history

My question to you is that with the WWE being PG still DAM YOU! What gimmick do you think would not fit within the PG era? My would have to be Rico s Jan 2 2010 We have arrived at the last of the Big Four PPVs the Royal Rumble

This is one of the true unique matches in wrestling as there isnt another match like this. Yes its a battle royal but its distinct from others are we have the time intervals. In case youve never Sep 13 2011 Mario Uses FireFlowerto increase
