I d like to practice using hard mode on some older puzzles and thought your archive would be perfect for that Jan 14 2022 I adapted my wordle solver to print out a list of every word ranked by how good a starting word it is so people can see how good their choice is

These are ranked using the average expected number of possible solution words that will be left after guessing the word and receiving feedback

For example if you use the 2 word raise as a starting word after you get the feedback there will be Post your results in the daily Wordle thread instructions on how to use Scoredle to generate your answers with spoiler tags is at the top of each thread and ask for feedback on your guesses This is the Daily Wordle thread for the NYT version of Wordle
