The sideshow freaks were all played by persons with real deformities

No special effects makeup was used except in one brief scene at the end of the movie Abstract This article introduces Tod Browning's 1932 film *Freaks* in conversation with nineteenth century carnival and fair practices and further explains the creation and development of the freakshow. In a circus in which several people with significant physical deformities make their living as sideshow attractions a voluptuous tra peze artist and her brawny lover attempt to take advantage of a midget in order to take possession of his fortune. The truth strength of *Code of the Freaks* is its ability to translate years of academic theory and activist discussion into a compelling and easy to follow documentary. A REALITY TRIP ON THE *FREAKS* A HISTORIOGRAPHY OF THE COUNTERCULTURE OF THE 1930S by Robert O

Standish The presence of freaks in American literary texts particularly as they re-emerge in late twentieth century works articulate a complex set of relationships that define what Elizabeth Grosz calls acceptable tolerable knowable humanity played out by audiences and actors on a national stage. 55 Literary and cinematic texts about freaks by Nathanael West Djuna Barnes Tod Browning and Carson McCullers subvert and reinvent modern progress narratives in order to challenge high modernist literary and social ideologies.
