Apr 15 2017 If so my analysis amounts to a rule in search of actual usage a prescription rather than a description

In any event the impressive rise of freeof against freefrom over the past 100 years suggests that the English speaking world has become more receptive to using freeof in place of freefrom during that period Apr 4 2016 I don t think there s any difference in meaning although freeof charges is much less common than freeof charge

Regarding your second question about context given that English normally likes to adopt the shortest phrasing possible the longer form freeof charge can be used as a means of drawing attention to the lack of demand for Aug 16 2011 A friend claims that the phrase forfreeis incorrect

Should we only say at no cost instead? Feb 2 2012 What is the opposite of freeas in freeof charge when we speak about prices ? We can add not for negation but I am looking for a single word I had always understood there s no such thing as afreelunch as a expression to demonstrate the economics concept of opportunity cost whereby even if the lunch is fully paid for one loses the opportunity to spend that time doing anything else Mar 3 2017 1 Free absolutely means freefrom any sorts constraints or controls

The context determines its different denotations if any as in freepress fee speech freestuff etc My company gives outfreepromotional items with the company name on it

Is this stuff called company swag or schwag? It seems that both come up as common usagesGoogle searching indicates that the If you are storing documents however you should choose either the mediumtext or longtext type

Could you please tell me whatfree form data entry is? I know what data entry is per se when data is fed into some kind of electronic system for processing but I don t know how to understand the termfree form

Any thoughts? Thank you Jul 7 2018 I want to make a official call and ask the other person whether he isfreeor not at that particular time. I think asking Are youfreenow? does t sound formal

So are there any alternatives to Sayingfreeor available rather than busy may be considered a more positive enquiry. It may also simply mean that you expect the person to be busy rather thanfree rather than the other way round

Saying available rather thanfreeis considered slightly more formal though I wouldn t worry much about usage cases.
