Apr 15 2017 If so my analysis amounts to a rule in search of actual usagea
prescription rather than a description

In any event the impressive rise of freeof against freefrom over the past 100
years suggests that the English speaking world has become more receptive to
using freeof in place of freefrom during that period Feb 2 2012 What is the
opposite offreeas in freeof charge when we speak about prices ? We can add not
for negation but I am looking for a single word Apr 4 2016 I don t think there s
any difference in meaning although freeof charges is much less common than
freeof charge

Regarding your second question about context given that English normally likes
to adopt the shortest phrasing possible the longer form freeof charge can be
used as a means of drawing attention to the lack of demand for Aug 16 2011 A
friend claims that the phrase forfreeis incorrect

Should we only say at no cost instead? Mar 3 2017 1 Free absolutely means
freefrom any sorts constraints or controls

The context determines its different denotations if any as in freepress fee
speech freestuff etc If you are storing documents however you should choose
either the mediumtext or longtext type

Could you please tell me whatfree form data entry is? I know what data entry is
per se when data is fed into some kind of electronic system for processing but I
don t know how to understand the termfree form

Any thoughts? Thank you My company gives outfreepromotional items with the
company name on it

Is this stuff called company swag or schwag? It seems that both come up as
common usagesGoogle searching indicates that the Jul 7 2018 I want to make a
official call and ask the other person whether he isfreeor not at that
particular time. I think asking Are youfreenow? does t sound formal

So are there any alternatives to Sayingfreeor available rather than busy may be
considered a more positive enquiry. It may also simply mean that you expect the
person to be busy rather thanfree rather than the other way round

Saying available rather thanfreeis considered slightly more formal though I
wouldn t worry much about usage cases May 12 2018 Similarly freeeducation is
funded by the state which is ultimately financed by taxpayers and taught in
state run schools called state schools whereas schools that charge tuition fees
are termed private schools

A private school in the US typically means fee taking. Confusingly in the UK
