Apr 15 2017 If so my analysis amounts to a rule in search of actual usagea
prescription rather than a description

In any event the impressive rise of freeof against freefrom over the past 100
years suggests that the English speaking world has become more receptive to
using freeof in place of freefrom during that period Apr 4 2016 I don t think
there s any difference in meaning although freeof charges is much less common
than freeof charge

Regarding your second question about context given that English normally likes
to adopt the shortest phrasing possible the longer form freeof charge can be
used as a means of drawing attention to the lack of demand for Aug 16 2011 A
friend claims that the phrase forfreeis incorrect

Should we only say at no cost instead? Feb 2 2012 What is the opposite offreeas
in freeof charge when we speak about prices ? We can add not for negation but I
am looking for a single word I had always understood there s no such thing as
afreelunch as a expression to demonstrate the economics concept of opportunity
cost whereby even if the lunch is fully paid for one loses the opportunity to
spend that time doing anything else Mar 3 2017 1 Free absolutely means freefrom
any sorts constraints or controls

The context determines its different denotations if any as in freepress fee
speech freestuff etc My company gives outfreepromotional items with the company
name on it

Is this stuff called company swag or schwag? It seems that both come up as
common usagesGoogle searching indicates that the If you are storing documents
however you should choose either the mediumtext or longtext type

Could you please tell me whatfree form data entry is? I know what data entry is
per se when data is fed into some kind of electronic system for processing but I
don t know how to understand the termfree form

Any thoughts? Thank you Jul 7 2018 I want to make a official call and ask the
other person whether he isfreeor not at that particular time. I think asking Are
youfreenow? does t sound formal

So are there any alternatives to Sayingfreeor available rather than busy may be
considered a more positive enquiry. It may also simply mean that you expect the
person to be busy rather thanfree rather than the other way round

Saying available rather thanfreeis considered slightly more formal though I
wouldn t worry much about usage cases.
