Apr 15 2017 If so my analysis amounts to a rule in search of actual usagea  
prescription rather than a description

In any event the impressive rise of freeof against freefrom over the past 100  
years suggests that the English speaking world has become more receptive to  
using freeof in place of freefrom during that period Feb 2 2012 What is the  
opposite offreeas in freeof charge when we speak about prices ? We can add not  
for negation but I am looking for a single word Aug 16 2011 A friend claims that  
the phrase forfreeis incorrect

Should we only say at no cost instead? Apr 4 2016 I don t think there s any  
difference in meaning although freeof charges is much less common than freeof  
charge

Regarding your second question about context given that English normally likes  
to adopt the shortest phrasing possible the longer form freeof charge can be  
used as a means of drawing attention to the lack of demand for Mar 3 2017 1 Free  
absolutely means freefrom any sorts constraints or controls

The context determines its different denotations if any as in freepress fee  
speech freestuff etc If you are storing documents however you should choose  
either the mediumtext or longtext type

Could you please tell me whatfree form data entry is? I know what data entry is  
per se when data is fed into some kind of electronic system for processing but I  
don t know how to understand the termfree form

Any thoughts? Thank you My company gives outfreepromotional items with the  
company name on it

Is this stuff called company swag or schwag? It seems that both come up as  
common usagesGoogle searching indicates that the Jul 7 2018 I want to make a  
official call and ask the other person whether he isfreeor not at that  
particular time. I think asking Are youfreenow? does t sound formal

So are there any alternatives to Sayingfreeor available rather than busy may be  
considered a more positive enquiry. It may also simply mean that you expect the  
person to be busy rather thanfree rather than the other way round

Saying available rather thanfreeis considered slightly more formal though I  
wouldn t worry much about usage cases May 12 2018 Similarly freeeducation is  
funded by the state which is ultimately financed by taxpayers and taught in  
state run schools called state schools whereas schools that charge tuition fees  
are termed private schools

A private school in the US typically means fee taking. Confusingly in the UK
