Apr 15 2017 If so my analysis amounts to a rule in search of actual usage a
prescription rather than a description

In any event the impressive rise of freeof against freefrom over the past 100
years suggests that the English speaking world has become more receptive to
using freeof in place of freefrom during that period Aug 16 2011 A friend claims
that the phrase forfreeis incorrect

Should we only say at no cost instead? Apr 4 2016 I don t think there s any
difference in meaning although freeof charges is much less common than freeof
charge

Regarding your second question about context given that English normally likes
to adopt the shortest phrasing possible the longer form freeof charge can be
used as a means of drawing attention to the lack of demand for Feb 2 2012 What
is the opposite of freeas in freeof charge when we speak about prices ? We can
add not for negation but I am looking for a single word I had always understood
there s no such thing as a freelunch as a expression to demonstrate the economics
concept of opportunity cost whereby even if the lunch is fully paid for one
loses the opportunity to spend that time doing anything else Mar 3 2017 1 Free
absolutely means freefrom any sorts constraints or controls

The context determines its different denotations if any as in freepress fee
speech freestuff etc If you are storing documents however you should choose
either the mediumtext or longtext type

Could you please tell me what free form data entry is? I know what data entry is
per se when data is fed into some kind of electronic system for processing but I
don t know how to understand the term free form

Any thoughts? Thank you My company gives out free promotional items with the
company name on it

Is this stuff called company swag or schwag? It seems that both come up as
common usages Google searching indicates that the Jul 7 2018 I want to make a
official call and ask the other person whether he is free or not at that
particular time. I think asking Are you free now? does t sound formal

So are there any alternatives to Saying free or available rather than busy may be
considered a more positive enquiry. It may also simply mean that you expect the
person to be busy rather than free rather than the other way round

Saying available rather than free is considered slightly more formal though I
wouldn t worry much about usage cases.
