Freshly was a New York City based convenience food delivery company that delivered throughout the contiguous United States

[1] It was acquired by Nestl in October 2020 and was shut down in January 2023 Freshly ceased operations on January 21 2023 with the final orders accepted through January 17 2023

The shutdown was announced in late December 2022 marking the end of its direct to consumer meal delivery service Aug 25 2023 The demise of Freshly was influenced by several factors including changing consumer behavior economic conditions and increased competition in the meal delivery industry Jan 3 2023 Freshly has revealed that it is ceasing its direct to consumer meal delivery service

The company updated its website in late December with the news. The fresh prepared meal delivery provider was founded in New York in 2015 and was acquired by Nestl in late October 2020 Jan 6 2023 NEW YORK Freshly is halting its direct to consumer meal delivery business

The company which was acquired by Nestle in 2020 updated its website in late December to reflect the change Jan 12 2023 Founded in New York in 2015 Freshly was acquired by Nestl in 2020 for about \$950 million

During the height of the pandemic and at home eating Freshly shipped more than 1 million meals per week to customers across the U.S May 15 2020 Freshly sells individual serving sized meals kind of like a frozen TV dinner but freshly made

These meals are available in bundles you can choose a plan that includes four six nine or 12 meals. Freshly ships to the entire continental United States for a small shipping fee Oct 21 2021 Freshly delivers healthy gluten free ready to eat meals you can heat up in three minutes

I was impressed with the sustainable packaging healthy options and taste Mar 2 2023 Freshly announced its plans to cease operations in 2023 with a farewell message to its customers on the website

The message thanked the incredible community and alerted customers that the company would no longer provide weekly deliveries Explore a world of simple yet satisfying dishes from our blogs that make cooking a joy rather than a chore

Embrace a smarter more sustainable way to cook reduce food waste and elevate your dining experience all from your own kitchen.
