Apr 7 2013 Freshmen 1st year student or 1st year undergrad Sophomore 2nd year student or 2nd year undergrad And so on until the final year 3rd year for Bachelor s Degree students and 4th year for Master s Degree students the students of which are referred to as final year students Would it be proper to say freshman students freshmen or freshmen students? Edit It is worth noting that I have since learned it is more acceptable in educational circles to use the term first Jun 5 2011 Is there a single word category for the status Freshmen Sophomores Juniors Seniors? I ve heard it called as batch status but can t seem to find the right single word category for it Apr 20 2012 I know first and second year undergraduate students are freshmen and sophomores respectively

Are there similar terms for third and fourth years given most programmes are three or four year progr Senior in the USA refers to the fourth year of a standard four year college degree an undergraduate degree or BA for most Commonwealth English speakers

Students in the four years of a standard US college degree are known respectively as freshmen sophomores juniors and seniors

Confusingly the last two years of high school roughly ages 16 to 18 are also known as junior and Oct 2 2022 If someone says the summer of senior year are they referring to the summer before senior year where the student was a rising senior or are they referring to the summer after graduation when the student was a rising freshmen? Feb 20 2014 Can we use freshman to refer to a girl in her first year in college or is freshman acceptable? May 19 2012 Americans born this year will likely graduate from a university in the class of 2034 the seniors graduating this weekend are in the class of 2012 and at 25 anniversary class reunion in a month is for the class of 1987 the year of their graduation

Incoming freshmen in the fall are class of 2016 four year college Aug 22 2016 I can t give you a factually backed answer but in my high school an underclassman was a freshman or sophomore and an upperclassman was a junior or senior Jul 30 2015 I m looking for a term to describe someone who literally has zero knowledge of a topic

Initially I thought of using something like green field but that doesn t really describe the person it really.
