Frisk could very well be a vessel created by someone Gaster? though for what purpose I m unsure

Freeing the Underground is the most obvious answer since the credits roll and everyone is saved Nov 19 2018 However Frisk wear purple and blue the inverse of Chara s yellow and green Chara was the first human to fall Frisk was the last what Chara wanted Frisk delivered Chara was the best friend Asriel had Frisk is the friend he wished for

Chara had loved monsterkind and Frisk set them free. Archived post Chara decides to use the fake name Frisk to protect everyone

I keep seeing people say that Frisk and Chara are different people but I don t see how that would work especially considering that Chara will keep whatever name you enter when you do a genocide run A new frisknsfw community that WONT become private its public for all Jan 8 2020 Frisk is unfortunately one of the most downplayed Indie protagonists around due to how rather difficult it is to scale the characters

Thusly a lot of misconceptions exist which people make use of to say Frisk is low or mid tier in Undertale s scaling. I will go through these misconceptions to show people why Frisk is actually on full power Asriel s level if not higher

To understand some Mar 9 2016 In Undertale the names behind character usually have a meaning behind them. For example Toriel is supposed to be like a Tutorial or Sans and the font. Does the name Frisk have a meaning behind it? Frisk is their own person with their own likes dislikes quirks etc

The situation between Undertale Frisk and Deltarune Kris is a lot more similar than most of the fandom would claim. Frisk is *capable* of attempting to resist the player s control like Kris but interestingly they actually don t do it during the genocide route May 7 2021 What happens if you name yourself Frisk and go to the ending part where Asriel returns to his normal form back? Does he say that we re not really Frisk? Archived post

Unless there is information somewhere credible and factual whether its in the game or from the creators or what not that states Frisk is X years old or there is a chain of real proof in the game that leads you to that conclusion then no Frisk does not have a canon age

Period Sep 10 2021 When I use the name Frisk in the ruins the annoying dog always shows up and won t let me continue. Can I play the rest of the game in Hard Mode?.
