Jul 16 2025 This guide explains the meaning of FTM how its used today and how language around transgender identity continues to evolve

What Does FTM Stand For? FTM stands for female to male and refers to transgender men people who were assigned female at birth AFAB but identify and live as male

Feb 21 2025 FTMtransition stands for female to male transition

This term generally refers to the various legal social or medical steps that people who are assigned female at birth take to transition to live in a way that is more aligned with their masculine gender identity Transitioning from female to male is a deeply personal and often transformative process

Also known asFTMtransition this journey may include social legal medical and emotional changes to affirm ones gender identity FTM2024 is a major new Family Tree Maker edition that takes this grand old brand to places its creators could only have dreamed of when it was first published back in 1989

Where your tree can be instantly fact checked by a relative half way around the world on their smartphone or tablet Dec 10 2025 FTMtransgender identity involves individuals assigned female at birth but identifying and expressing themselves as male. FTMindividuals face discrimination stigma and prejudice and may lack acceptance and understanding from family friends and the community Feb 13 2025 FTM stands forfemale to male

Its a term commonly used within the transgender community to describe a trans man

While the acronym focuses on the transition from one gender to another its important to understand that being trans isnt solely about changing genders FTM Surgery or female to male surgery refers to a group of plastic and urologic procedures designed to affirm a transgender mans male gender

Top surgery also known as chest masculinization is the most common FTM procedure and for many its the only surgical step in their gender transition Jul 15 2025

Shahpar Mirza is a Community Transgender Expert who began his transition from female to male FTM starting in 2016

He has had hormone replacement therapy since 2017 and underwent a double mastectomy top surgery in April 2018 Apr 22 2025 Before having female to male gender affirming surgery a person will often receive testosterone replacement therapy

They may then undergo one or more of the following procedures depending on what Planned Parenthood is proud to provide a safe and welcoming place to get gender affirming care. We offer services to transgender women transgender men and
