Dec 11 2014 Etymology I need your help! This has been driving me nuts yarrrr for the past year or two. I first caught myself saying Fuckin A when something bad would happen. But then I thought about it and realized that Fuckin A means Fucking Awesome

At least according to UrbanDictionary and Office Space. Now there are a couple of different threads discussing this topic. There is a brief Oct 22 2021 I like this bit of profanity. When TV characters say Fuckin A! or however it s spelled it s kind of fun

But I don t know how it s spelled or what the origin is which might have something to do with how it s spelled

Does anyone know the background and spelling of this delightful way to curse while agreeing emphatically? Edit u Jyqm answered this in minutes if not seconds! For example when someone says Fuckin A man or fuckinA that hurt Archived post

New comments cannot be posted and votes cannot be cast Fuckin A! When will it stop? so that doesn t make sense plus the phrase predates the common everyday use of awesome by a lot

I can t find much solid info online my hunch is that it doesn t really stand for much of anything but is just a phonetically pleasing stand in. Just a hunch though. Reply reply [deleted] Jun 1 2023 When you wholeheartedly agree with something
