We appreciate all all femboyyfurryart and content whether it be NSFW or SFW !! A community for comics and memes about furies and animals. r Furry_comics is a lot like r furry_irl but r Furry_comics is strongly SFW Rotwood just came yesterday and Ive really enjoyed it

Its a roguelike hack and slash withfurrycharacters. Gunfire reborn is roguelike shooter withfurrycharacters as well and pretty addicting. Night in the Woods is a must play IMO. Especially if you like narrative focused games

I was depressed for like a week after finishing lol Sep 11 2013 I m just confused with this recent trend in furry meaning solely cartoonish style anthropomorphic animals and it s become a pet peeve of mine especially since a more realistic looking style is one of my favorite subgenres of the fandom
