Gallery gives you an intuitive way to blend photo management seamlessly into your own website whether you're running a small personal site or a large community site Jul 1 2013 Packages There are four different types of packages you can download. Choose the one that is the most appropriate for you

If you accidentally download a package that is too small or too large you can always replace it later. Typical The base application 8 themes and a selection of popular modules. Enough to satisfy the demands of most Gallery users

Full The base application 9 themes The default gallery location for videos is C:\Users\YOURUSERNAME\Videos The default gallery location for screenshots is C:\Users\YOURUSERNAME\Pictures If you want to change the location of where your videos and screenshots are saved you need to change the video save location inside of GeForce Experience by pressing Alt+Z then going into settings then recordings and changing it there Apr 27 2004 Gallery 2.2.3 is now available for download

This release adds no new features. It fixes critical application security bugs in the WebDAV and Reupload modules

If the WebDAV or Reupload modules are active in your Gallery we strongly recommend that you either disable them or upgrade them via Downloadable Plugins or perform a complete upgrade to version 2.2.3

It's suitable for small to medium sized photo galleries. Gallery gives you an intuitive way to blend photo management seamlessly into your own website whether you're running a small personal site or a large community site The 2011 Gallery Developer Conference ended last weekend in Atlanta and we had a blast while getting a lot done

Your donations paid for room and board while we talked about all things Gallery and hacked a bit on Gallery 3

Some notes were written on the walls a few photos were taken and the end results are some things you're going to like Dec 17 2013 Installing Gallery 3 is made easy through the included installer

Follow these instructions and you should have a working Gallery 3 installation within a few minutes Discover the unexpected beauty of AI generated art where
